# weberpral D
monocouche render
colour card

weberpral D one-coat render creates a decorative, through-coloured finish suitable for most types of brick or blockwork

Chalk

Silver Pearl

Ivory

Cream

Beige

Cornish

Limestone

Earth

Mushroom

Earth Red

Stone Grey

Graphite

It is very important to note that the colour and texture representation is as close as printing techniques permit. Final colour selection should be made against an actual sample. Weber will not accept responsibility for colours chosen from any source other than an actual sample.
